

Empowering Change, Amplifying Impact

EVENING ON THE DIAMOND GALA

September 21st 2024

Turtle Creek Stadium, Traverse City, MI

Join us for a night at Turtle Creek Stadium under the lights - where advocacy, fundraising and networking happen on one field. The 4Front Foundation had such an incredible turn out last year, that we knew this momentum would propel our mission forward.

The night will consist of casino tables, baseball themed field games, silent auction, food and drinks. Our goal is to bring the community together while raising funds to support many non-profits in our Michigan Communities, as well as fund scholarships for students around the state.

Our 2023 inaugural event raised over \$45,000 to give for the current grant and scholarship cycle - but the need is much greater. This cycle we have received application requests in total of \$600,000.

We have a long way to go.

In choosing the 4Front Foundation, you're not only giving to a cause; you're joining a movement to amplify your impact, connect with a community of change makers, and be a driving force for positive change. Together, we are more than donors – we are catalysts for lasting empowerment and transformative progress.

Please consider purchasing a sponsorship level to help us continue to empower change and amplify impact. We can't do it without you.

Sincerely,
Rachel Hunter
4Front Foundation Executive Director
